TO YOUR HEALTH: Lots of adults will be tasting wine for the sake of children next Sunday at the eighth annual "Korks for

Kids" wine tasting and auction. It takes place at the scenic Thomas Fogarty Winery in Woodside.

The wineries pouring at the afternoon event, which benefits Santa Clara County's Healthy Kids Program, include Burrell School Vineyards, Clos LaChance, Duckhorn Vineyards, Rombauer Vineyards and, of course, Thomas Fogarty.

Among the items being put up for bid are a painting by state Sen. Elaine Alquist and jewelry made by Assemblyman Jim Beall.
