

# HEALTH DIALOGUES September 2009

## THE HEALTH EFFECTS OF STATE BUDGET CUTS

As Congress considers a major overhaul of the U.S. health care system, *Health Dialogues* examines how the new state budget will affect health care closer to home. Will kids in low income families be able to get basic services? Or what about drug treatment programs mandated by Proposition 36? And how may where you live affect the care you'll get? For more information, visit [www.HealthDialogues.org](http://www.HealthDialogues.org)
