Last Notice

This letter is about changes to your Healthy Kids HMO coverage, also called the County Children's Health Initiative Program (CCHIP).

Dear Subscriber,

Starting October 1, 2019, children in Santa Clara Family Health Plan's Healthy Kids HMO-CCHIP will get:

- **Health and vision** care through Santa Clara Family Health Plan's Medi-Cal program.
 - This is instead of Healthy Kids HMO-CCHIP.
 - If your child's health care provider is in the Santa Clara Family Health Plan's Medi-Cal program, your child can keep the same provider.
- **Dental** care through Medi-Cal Dental.
 - Starting October 1, 2019, your child can see any dentist who accepts Medi-Cal Dental.
 - Your child may need a new dentist. Ask your current dentist if they accept Medi-Cal Dental.

Your child will **not** lose any health, dental, or vision benefits.
