Santa Clara Family Health Plan CFO Finance Report

For the Month and Year to Date Ended January 31, 2014

Summary of Financial Results

For the month of January 2014, SCFHP recorded an operating surplus of \$583 thousand compared to a budgeted operating loss of \$7 thousand, resulting in a favorable variance from budget of \$590 thousand. For year to date January 2014, SCFHP recorded an operating surplus of \$911 thousand compared to a budgeted operating loss of \$492 thousand resulting in a favorable variance from budget of \$1.4 million. The table below summarizes the components of the overall variance from budget.

Note: For purposes of this report all budget amounts for fiscal year 2014 are per Revised Budget as presented at the Board Meeting on December 12, 2013.

Summary Operating Results – Actual vs. Revised Budget

For the Current Month & Fiscal Year to Date – January 2014
Favorable/ (Unfavorable)

Current Month					Year to Date

Revenue

The Health Plan recorded net revenue of \$31.9 million for the month of January 2014, compared to budgeted revenue of \$31.2 million, resulting in a favorable variance from budget of \$672 thousand, or 2.2%. For year to date January 2014, the plan recorded net revenue of \$186.1 million compared to budgeted revenue of \$185.6 million, resulting in a favorable variance from budget of \$490 thousand, or 0.3%.

A statistical and Financial Summary for all lines of business is included on page 9 of this report.

Member months

For the month of January 2014, overall member months were higher than budget by 1,629 members (+1.0%). For January 2014 year to date, overall member months were lower than budget by 2,352 members (-0.2%).

In the seven months since the end of the prior fiscal year, 6/30/2013, membership in Medi-Cal increased by 8.9%. This large monthly increase is primarily due to an influx of 14,000+ new Medi-Cal Expansion members during the month of January 2014. Membership in the Healthy Kids program declined by 5.8%, since 6/30/2013. Member months and changes from prior year are summarized on Page 11.

The transfer of Healthy Families members to Medi-Cal occurred in three phases of the planned Medi-Cal Healthy Families Product Transition, and is complete.

Medical Expenses

For the month of January 2014, medical expense was \$29.4 million compared to budget of \$29.2 million, resulting in an unfavorable budget variance of \$163 thousand, or -0.6%. For year to date January 2014, medical expense was \$173.0 million compared to budget of \$173.5 million, resulting in a favorable budget variance of \$447 thousand, or +0.3%.

Administrative Expenses

Overall administrative costs were under budget by \$93 thousand (-4.8%) and \$429 thousand (-3.4%), for the month and year to date January 2014, respectively.

Overall administrative expenses were 6.5% of revenues for year to date January 2014.

Balance Sheet (Page 6)

Current assets at January 31, 2014 totaled \$91.9 million compared to current liabilities of \$59.0 million, yielding a current ratio (the ratio of current assets to current liabilities) of 1.6:1 as of January 31, 2014. Working capital increased by \$855 thousand for seven months year-to-date ended January 31, 2014.

Cash as of January 31, 2014, decreased by \$20.7 million compared to the cash balance as of year-end June 30, 2013. This decrease was largely due to the payment of \$27.3 million to Santa Clara Valley Medical Center for the SB 208 IGT pass through, paid early in the year, in July 2013, offset by more recent cash increases. Net receivables increased by \$17.5 million during the seven months ended January 31, 2014.

Liabilities decreased by a net amount of \$3.8 million during the seven months ended January 2014. There has been significant swings going both ways:

1. Decrease of \$27.3 million due to the payable for SB 208, as mentioned above.
2. Increase of \$22.9 million due to DHCS for various overpayments and MCO taxes.
3. Increase of \$6.8 million for amounts due to providers for the ACA 1202 Physician payment increase.
4. Decrease of \$7.0 million in Medical cost reserves (net); as a result of risk pool liability payout, offset by increase in IBNR.

As of fiscal year ending June 30, 2013, the “Board Designated Reserve – Healthy Kids” is \$1.5 million, and is shown on the Balance Sheet on page 6.

Capital Expenses increased by \$236 thousand for the seven months ended January 31, 2014.

Tangible Net Equity

Tangible net equity (TNE) was \$33.5 million at January 31, 2014, compared to the minimum TNE required by the Department of Managed Health Care (DMHC) of \$8.3 million (as per quarterly filing at 12-31-13). A chart showing TNE trends is shown on page 12 of this report.

At the December 2011 Board of Director's meeting, a policy was adopted for targeting the organization's capital reserves to equal two months of Medi-Cal capitation revenue.

As of January 31, 2014, the Plan's reserves are about \$32.7 million below this reserves target (see calculation below).

(The monthly capitation amount for Medi-Cal increased from Dec 2013 to Jan 2014 by about \$8.1 million per month due to the 14 thousand additional Medi-Cal Expansion members.)

Calculation of targeted reserves as of January 31, 2014

Estimate of two months' capitation (January-2014 Medi-Cal capitation of \$32,662,500 X 2 = \$65,624,000)	\$65,624,000
Less: Unrestricted Net Equity per balance sheet (rounded)	<u>\$32,593,000</u>
Approximate reserves below target	<u>\$32,731,000</u>
